PRIOR PROBLEMS WITH 415 / 594 / 602 / BFMV / TFMV SUSPECTS. WE PATROLLED THE PARKING STRUCTURE AND NO SUSPECTS WERE SEEN.

BUSINESS CHECK- 6801 HOLLYWOOD BLVD- H&H PARKING STRUCTURE

PRIOR PROBLEMS WITH 415 / 594 / 602 / BFMV / TFMV SUSPECTS. WE PATROLLED THE PARKING STRUCTURE AND THERE WERE NO SUSPECTS SEEN A THIS TIME.

0600 **SOW-** WE WERE ASKED TO CONDUCT EXTRA PATROL AT 6381 HOLLYWOOD BLVD FOR 602 SUSPECTS. WE WERE ALSO ADVISED TO CONDUCT EXTRA PATROL AT THE SILVERCREST RETIREMENT HOME LOCATED AT 5940 CARLOS AVENUE FOR SUSPECTS SLEEPING ON OR AROUND THE PROPERTY. YESTERDAY WE ATTENDED THE MONTHLY HHOT MEETING AT THE CENTER. BELOW IS A SYNOPSIS OF WHAT WAS DISCUSSED:

We were approached by Dawn who is the Americorp representative who is assigned to Kerry Morison's office. She requested a picture of Johnathen Todd for a meeting Kerry will be attending later this evening. We notified the BID office and a unit was able to print then deliver the photographs to the meeting.

Before Courtney brought the meeting to order, Erin from MFP advised us of a fight that occurred earlier today. It involved a transgender who goes by 'Alexis.' She / he has also threatened PATH employees in the past. The suspect is easily triggered, especially when his gender is an issue.

Courtney from PATH brought the meeting to order. Unfortunately there was no ice breaker. She asked everyone to introduce themselves and give any agency updates.

ANDREWS INTL / HBID INCIDENT REPORT/LOG

Karen and Jennifer from the VA advised there were no client updates, but on Tuesday, April 28th there will be an all inclusive gathering for Veterans to assess their needs. It will be held at the Veteran's Hall at the VA on Wilshire Blvd between 1000 to 1430 hours. They ask that we invite all Veterans to attend.

Aimee from the Lord's Light House / Gower Presbyterian Church has no new placements / updates that we were familiar with. She advised her concern involving a recent placement that did not quite fit our criteria of our long time clients. Apparently a fairly new client, one newer to California and not quite homeless here for a year, had all documents in order and met the criteria needed for the Housing Authority was matched for housing. She expressed her happiness that the subject was matched so quickly, but there are so many others that have not- there are so many more that have been waiting for such a long time but have not yet been matched.

Nathan from The Center advised the renovation is scheduled for an undetermined date in June. The Center will be closed until the renovation is complete. There was talk about bringing office trailers on site to keep contacts with clients. The center is open for clients Monday, Tuesday and Thursday from 0800 to 1300 hours. Wednesday and Friday The Center is closed but case workers will be having meetings at the Library on Sunset Blvd at 1000 hours.

Erin from MFP advised there were no new changes. She did talk about the flux of minors that have been attending services at MFP. She asked if we were familiar with a 16 year old named Jasmine. Erin is concerned about the group she has been seen with and believes that she might be involved in prostitution and drugs. She seems very naive and easily persuaded by her peers. We have seen her around, but have yet to make contact.

Emily James from Step Up is looking for Donny Irman. We asked for a picture but she was unable to provide one at this time. He frequents the Hollywood and Highland area and often drinks alcohol. We checked our records which show no prior arrests or contacts involving Irman. We will try and obtain a picture later today. She did advise that all programs are full but there are new programs in the works. She will let us know as soon as those programs and criteria are put in place.

ANDREWS INTL / HBID INCIDENT REPORT/LOG

Alex from The Center advised Jonathan Rodgers is matched. We have been dealing with Jonathan for many years along with Housing Works when he was a client. Jonathan does not know the good news because the match just took place this morning.

Herman from PATH has no new updates. There was discussion within the group of Johnathan Todd. We chimed in with his recent demeanor and psychotic episodes. Dawn advised she has been trying to connect with him but no positive feedback as of yet. Herman also advised there are emergency beds available at the shelter. He asked that we try and fill them with clients involved with the housing process. They will consider other potential clients but hopes to focus on those waiting for housing. We suggested Jonathan Rodgers. PATH has concerns involving Jonathan dating back when they housed him in the past. Courtney advised she will interview Jonathan before agreeing to bring him inside because of prior threats and outbursts involving PATH staff.

The group spoke of Anthony and Holly. A CES assessment was completed on Anthony but Holly has refused.

We were advised Michael and Michelle were evicted from their section 8 housing. They have been hoarding trash and property. They were a huge concern when they were in the BID area. Unfortunately, because of their eviction, they are not eligible for housing. LAPD SLO Officers Dillard and Nony advised their only avenue is to arrest. The explained the lengthy process involving their property and booking. LAPD asked if there are any other options to please help. They expressed their approach of arrest will be the last resort.

Alex explained some bugs and concerns with the CES and implementation of the new program. She also discussed her concerns with lack of housing options in the Hollywood area. This is huge obstacle when it comes to follow up.

Unfortunately there is no (or little) follow up done after clients are housed. There was discussion of ways to monitor and document prior housed clients to see when they seem to have the most trouble with rent, bills, etc. We discussed the need for follow up funds and retention funds. There was also talk about the final score rating vulnerability that is generated after an evaluation is completed. Case workers have concerns because some clients have a lower score than

ANDREWS INTL / HBID INCIDENT REPORT/LOG

expected which place them higher on the vulnerability scale (such as the client Aimee was talking about earlier).

LAPD advised there will be a Community Town Hall meeting at the new Fire Station on Van Ness north of Hollywood Blvd on May 6th. Courtney will be speaking at the event.
